

## Laborer / Apprentice Carpenter

The team at 360 Construction & Design, LLC is an exceptional quality and customer focused residential remodel and construction company. The quality of our workmanship has been recognized over the years by national publications. We are looking for a qualified, positive attitude, hard-working Laborer / Apprentice Carpenter. The Laborer / Apprentice Carpenter must be able to work in a team environment, help maintain a positive work atmosphere, take pride in workmanship, able to work effectively with minimal supervision, as directed by the project Lead Carpenter.

### Minimum Standards and Requirements:

Must provide own reliable transportation, maintain a valid driver's license and safe driving record.

Subject to a background check and must pass a pre-employment drug screening.

Maintain a professional appearance & demeanor as a front line representative of 360 Construction & Design.

Good basic working knowledge and skills:

- Tools & Equipment. Safely use and operate power tools, hand tools, ladders, scaffolding and related equipment.
- The ability to accurately measure, efficiently cut, fit and install interior window trim, jamb & casing. Getting it right the first time.
- Window and door installations. Install and finish interior window trim in a client occupied environment.
- Basic skills. Framing / Siding / Exterior trim / Decks / Proper installation of doors & windows.
- Finish Carpentry. Basic skills including setting, caulking and finish of interior door and window trim.
- Mask and protect the client space during construction. Clean up site & vacuum the area when done for the day.
- Quality Customer Service

Maintain electronic timekeeping, daily logs, e-mails and other records. Maintain receipts and submit weekly.

Accurately read & apply basic interior design / architectural plans.

Pleasant and courteous to clients. Respecting the client's property at all times. Be accountable and responsible at all times.

Lift lumber and other building materials as required while navigating a job site.

Quickly and effectively problem solve, as necessary. Ability to ask the project lead questions.

Assist in maintaining a safe, organized and clean jobsite.

Other duties and responsibilities as assigned or as required.

This position is full time, primarily with the removal and replacement of windows & doors, however, will also likely be assigned to a remodel crew as needed. This position is for year round work and project specific training classes will be provided as required.

This position will have opportunities for advancement, to work with our remodel field staff as schedules allow and can ultimately evolve into a full time remodel carpenter position. We are ONLY looking for quality, team oriented, self-motivated people that are interested in taking care of the client and the company. If you take care of the client and the company, the company will take care of you.

Compensation \$20 - \$24 per hour DOE. Includes one week vacation in first year, 7 paid holidays, health insurance that includes dental & vision. "Truck" and mobile phone allowance provided.
